

NENA  
Recommended Measurements  
For Data Quality

**Has been combined with NENA 02-002, 02-005  
and 02-006 into a common document**

**NENA 02-011**

NENA  
Recommended Data Standards  
For Local Exchange Carriers, ALI Service  
Providers & 9-1-1 Jurisdictions

**Please refer to the new document for data base quality  
measurements. There was no intentional change of existing  
standards.**
